

EARTH WEEK INFO

Dear Parents/ Guardians, Earth Week is coming up!! The ECO team have been busy planning activities for the students to participate in and win PRIZES! Please help and remind your child, so we can all help to make our earth an even better place! It will be **BOOMERANG lunch all week!** Your child will be bringing empty lunch wrappers or containers home all week and only throwing out empty yogurt, juice, pudding etc.

Monday is Turn down the Lights day! We will be turning down/off lights and monitors. We will also have a kick-off assembly to introduce Earth Week.

Tuesday and **Thursday** we will be making a **craft from recycled** items at break. *SO, we need your help!* **Please send in any CLEAN items that can be re-used ASAP.** Items could include: small boxes, paper towel rolls, caps, cans, bottles, small puzzle pieces, screws, yarn, string, small odd pieces from around the house.

Wednesday is Green and Blue day, Walk or Bike to school Day AND **Earth Day!** If your child walks or bikes to school, he/she will receive a sticker on that day and have helped to keep our air clean. As part of Earth Day, all students will be outside with their class at some point during the day to help to clean up our playground and school yard.

Friday is Litterless Lunch Day. Please help your child to pack a lunch without any litter. Reusable containers, bottles and thermoses are a great alternative to pack the food into, and much better for the environment too!!

Thanks for your help! ECO Team and Mrs. Guenther
